

Progress report

Privacy statement

This report is only intended to capture anonymous data (i.e. no personal information which could be attributed to identifiable members of staff/personnel, including sensitive personal information, such as health-related issues). When completing the report, please take care not to include any such personal information. Please refer to our Wellcome Grants Privacy and Confidentiality Statement: <https://wellcome.ac.uk/funding/privacy-and-confidentiality-wellcome-grants>.

Provide an update on progress towards the key aims and deliverables outlined in your application, and describe how these contribute to the realisation of the Centre's vision. Highlight the achievements from the past year, including, if applicable, any outcomes relating to translation, capacity building, public engagement, and/or policy, or that arising from any supplemental Centre funding. Note where you might be facing challenges in achieving the objectives of your award, caused by the Covid-19 pandemic, or for other reasons. Please also include, whether you have experienced any difficulty in the recruitment and/or retention of Group Leaders/Principal Investigators or staff to work at the Centre. Do not provide any personal information here which could be attributed to identifiable individual members of staff/personnel, including sensitive personal information, such as health related issues.

Where applicable, update on the establishment of the core facilities of the Centre. If they are already established, indicate if there are any issues with staffing or running of the core.

Clinical trials

Please see Wellcome's policy on clinical trials. This policy forms part of our grant conditions, and sets out the requirements for our grantholders before, during and after clinical trials. Please only report clinical trials that are directly funded by this award.

Does your award include a clinical trial?	
---	--

Title of the trial

Do you have ethical approval to undertake this trial?	
---	--

When do you anticipate getting ethical approval for this trial?

Is the trial registered with a clinical trials registry?	
--	--

Name of the register with which the trial is associated
(Select)

Trial registration number

Have you included a data sharing plan in the registry entry?	
--	--

If no, explain why not.

Has the trial started?	
------------------------	--

Give date the trial started.	
------------------------------	--

Have you completed participant recruitment?	
---	--

Date recruitment was completed.	
---------------------------------	--

Have you published the trial protocol?	
--	--

Provide citation/DOI.

Have you published the statistical analysis plan?	
---	--

Provide a citation and/or DOI.
