Progress report

Annual Progress Report and Nominations Form – Basic and Clinical PhD programmes

The annual update relates to the last **calendar year.**

Outgoing students/fellows

Ensure before you submit this form that the student/fellows listed are aware that you have provided their name, ORCiD ID and PhD details to Wellcome and that you have explained to them how their information will be used, as outlined in the Privacy Statement below.

PRIVACY STATEMENT
Wellcome will use the personal information collected on this form for internal grant monitoring purposes in pursuit of our legitimate interest, as a funder (and the legitimate interests of those we fund), to understand what Wellcome funds and how we fund it. In relation to this annual update, this interest is a better understanding of the research workforce (PhD students and fellows) we support through our grants and their research careers. This will include Wellcome using this information to help it assess progress of the research workforce. Further information on how we collect and use personal information for internal grant monitoring purposes, and your rights over this information, is set out in our full Wellcome Grants Privacy and Confidentiality Statement: https://wellcome.ac.uk/funding/privacy-and-confidentialitywellcome-grants.

Provide details for all final year students/fellows.

Name of student/fellow	ORCiD ID	Date of entry to the Programme	Actual or predicted date of thesis submission	Actual or predicted date of PhD viva

For the students/fellows listed above, provide a summary of the results achieved.

Result	Number of students/fellows
Pass	
Fail	
Not yet known	

In your previous annual report, were there students/fellows whose results were not yet known at the time? – Yes/No

(If yes) Provide a summary of the results achieved.

Result	Number of students/fellows
Pass	
Fail	

Annual Progress Report and Nominations Form – Basic and Clinical PhD programmes

Is your PhD Programme basic or clinical?

For Basic programmes:

Incoming students

Ensure before you submit this form that the students listed are aware that you have provided their name, email address and ORCiD ID to Wellcome and that you have explained to them how their information will be used, as outlined in the Privacy Statement below.

PRIVACY STATEMENT
Wellcome will use the personal information collected on this form for internal grant monitoring purposes in pursuit of our legitimate interest, as a funder, (and the interests of those we fund) in providing grant funding, which in relation to this annual update is to understand who has been nominated to the programme. Further information on how we collect and use personal information for internal grant monitoring purposes, and your rights over this information, is set out in our full Wellcome Grants Privacy and Confidentiality Statement: https://wellcome.ac.uk/funding/privacy-and-confidentialitywellcome-grants.
