Research outputs

List up to 20 of your most significant research outputs, ensuring that at least five of these are from the last five years. For 10 of these outputs, provide a statement describing their significance and your contribution (up to 50 words per output).

Research outputs may include (but are not limited to):

- Peer-reviewed publications and preprints
- Datasets, software and research materials
- Inventions, patents and commercial activity

For original research publications indicate those arising from Wellcome-funded grants in **bold**, and provide the PubMed Central ID (PMCID) reference for each of these. Please refer to guidance notes.

Please give citation in full, including title of paper and all authors. Citations to preprints should state "Preprint", the repository name and the articles persistent identifier (e.g DOI).*

*(*All authors, unless more than 10, in which case please use 'et al', ensuring that your position as author remains clear.)*

You should include here systematic reviews (e.g. Cochrane Reviews) and meta analyses, but exclude abstracts and literature reviews. We encourage the inclusion of articles published via open research publishing platforms, such as Wellcome Open Research, providing they have passed peer review.

Preprints, i.e. complete manuscripts that have been submitted to a preprint repository or service (e.g. bioRxiv, PeerJ Preprints, arXiv, SocArXiv or PsyArXiv), can be included only if they have a permanent identifier such as a DOI or arXiv identifier.

Total number of peer-reviewed publications which you have authored/co-authored. Please exclude abstracts and literature reviews.

You should include here systematic reviews and meta analyses.

Current and recent research funding (including Wellcome Trust grants)

Please list all held in the last five years and any key prior grants (list the most recent first). State the name of the awarding body, name(s) of grantholder(s), title of project, amounts awarded, your role in the project, and start and end dates of support. For all active grants, indicate the number of hours per week that are spent on each project.

In addition to research grants, please include details of any recurrent or core funding support that you have held in the last five years, including any Wellcome Trust awards. Please state clearly your role in obtaining the awards, for example, whether you held them in your own right as lead applicant, co-applicant, or as part of a consortium. Please state the value of your own component of the award and the percentage of your time spent on the research.

| |
|--|

The Wellcome Trust would not normally agree to more than eight hours each week spent in routine clinical duties, except when additional clinical time is essential to the research project, or essential to the minimum requirements for the maintenance of clinical skills in the applicant's specialty. In the latter case, details should be given.

If more than eight hours each week are to be spent in clinical work, the Wellcome Trust will wish to keep the clinical commitments of the Fellow under review. Any changes in the clinical load undertaken by the Fellow should be notified to the Wellcome Trust.

Please state the source of funding of the salary of the sponsor's post (for example, if it is funded through a block grant from a Higher Education Funding Council). If the sponsor's salary is being funded from more than one source, please provide details of all funding sources, including their relative contributions. If there are any ties on intellectual property rights or publications arising from the research the sponsor undertakes, please contact the Wellcome Trust for advice. Restrictions on intellectual property may affect their ability to apply to the Wellcome Trust.

Supporting statement from sponsor

Please upload a letter of support from the proposed sponsor, indicating that if a suitable vacancy for a research or academic position arose locally or elsewhere, he/she would support the Fellow as a candidate for the post. The sponsor must also confirm that the Fellow would be granted the status and benefits of other academic staff of similar seniority within the host organisation and that the Fellow's non-research duties (e.g. teaching) would not exceed eight hours a week.

Supporting statement from mentor
Please upload a letter of support from the proposed mentor, indicating his/her support and describing how he/she will assist you to integrate into the academic environment.

Outline of research project

Please outline your proposed research, including key goals, and indicate why it is suitable for re-entering a scientific career.

You may provide your answer to this question in text entry format or as a PDF attachment. If you are uploading your project outline, the uploaded document must be in 11 point Arial font and portrait format.
