Postcode/Zipcode

Country

Please enter the address where you will be working at the administering organisation. If your application is successful, this is the address that will be used in the award letter.

Research funding area

Indicate the relevant research funding area for the proposed project.

There will be some proposals that do not fall naturally into a research area, or cross a number of them (e.g. multidisciplinary research). In these circumstances the research area that seems most appropriate, based on the fundamental purpose of the proposed research, should be selected.

Current and recent research funding (including Wellcome Trust grants)

Please list all held in the last five years and any key prior grants (list the most recent first). State the name of the awarding body, name(s) of grantholder(s), title of project, amounts awarded, your role in the project, and start and end dates of support. For all active grants, indicate the number of hours per week that are spent on each project.

Success in obtaining funding for your research forms part of the assessment of your track record. In addition to research grants, please include details of any recurrent or core funding support that you have held in the last five years, including any Wellcome Trust awards. Please state clearly your role in obtaining the awards, for example, whether you held them in your own right as lead applicant, co-applicant, or as part of a consortium. Please state the value of your own component of the award and the percentage of your time spent on the research.

Applicants

Applicants are expected to be actively involved in the project.
