Application summary

Application title

This should be the title of your proposed project.

Proposed duration of funding (months)

Proposed start date	

Name of administering organisation

Please enter the name of the organisation where you intend to hold the award. If your application is successful, this is the organisation that will be responsible for administering the award.

Lead applicant's address at administering organisation

Department/Division	
Organisation	
Street	
City/Town	
Postcode/Zipcode	
Country	

Please enter the address where you will be working at the administering organisation. If your application is successful, this is the address that will be used in the award letter.

Research funding area
Please select from the drop-down list the funding area that you consider your research falls under

The research funding area selected is used to automatically route your application form to the appropriate Wellcome Trust grants team when it arrives at the Trust. Please note that, when received, we may reallocate your application to another research funding area if we consider it appropriate.

Lead applicant

Lead applicant details

Full Name

Telephone No.	
Email Address	

Career history (current/most recent first)				
From	**To**	**Position**	**Organisation**	
Please provide details of your current position (if applicable) and all previous posts held, listing most recent first.				

Education/training				
From	**To**	**Qualification**	**Subject**	**Organisation**
Please provide details of relevant education/training, listing the most recent first.				

Career breaks Have you had any career breaks or periods of part-time work, for example parental or long-term sick leave?	
We encourage applications from researchers who have taken career breaks, and wish to ensure that any such breaks are duly taken into account when considering your track record. Please state when and for what period of time you took a break, or were working on a part-time basis.	

Please provide details

Do you wish to undertake this award part time?	
If you wish to undertake this award part time, you must be employed on a part-time basis. Please contact the administrating Funder to discuss your requirements.	

Career contributions

What are your most important research-related contributions to date? This may include contributions to health policy or practice, or to technology or product discovery and development. (350 words max.)

The examples you choose can be taken from any stage of your research career. In each case, please state what the achievement was, when it came about, why you think it is important and what impact it has had.

Personal statement
Describe how this Fellowship will further your research and career aspirations, and its context in your longer-term vision.
(300 words max.)

Research outputs
List up to 20 of your most significant research outputs, ensurimg that at least five of these are from the last five years. For 10 of these outputs, provide a statement describing their significance and your contribution (up to 50 words per output).

Research outputs may include (but are not limited to):
- Peer-reviewed publications and preprints
- Datasets, software and research materials
- Inventions, patents and commercial activity

Please give citation in full, including title of paper and all authors* Citations to preprints should state "Preprint", the repository name and the articles persistent identifier (e.g DOI).

(*All authors, unless more than 10, in which case please use 'et al', ensuring that your position as author remains clear.)

You should include here systematic reviews (e.g. Cochrane Reviews) and meta analyses, but exclude abstracts and literature reviews. We encourage the inclusion of articles published via open research publishing platforms, such as Wellcome Open Research, providing they have passed peer review.

Preprints, i.e. complete manuscripts that have been submitted to a preprint repository or service (e.g. bioRxiv, PeerJ Preprints, arXiv, SocArXiv or PsyArXiv), can be included only if they have a permanent identifier such as a DOI or arXiv identifier.

Total number of peer-reviewed publications which you have authored/co-	

authored. Please exclude abstracts and literature reviews.	

You should include here systematic reviews and meta analyses. We encourage the inclusion of articles published via open research publishing platforms, such as Wellcome Open Research, providing they have passed peer review.

Current and recent research funding (including Royal Society and Wellcome Trust grants)
Please list all held in the last five years and any key prior grants (list the most recent first). State the name of the awarding body, name(s) of grantholder(s), title of project, amounts awarded, your role in the project, and start and end dates of support. For all active grants, indicate the number of hours per week that are spent on each project.

In addition to research grants, please include details of any recurrent or core funding support that you have held in the last five years. Please state clearly your role in obtaining the awards, for example, whether you held them in your own right as lead applicant, co-applicant, or as part of a consortium. Please state the value of your own component of the award and the percentage of your time spent on the research.

Sponsors

Details of primary sponsor

The primary sponsor must be based at the administering organisation and should be a Head of Department, or equivalent.
