Current and recent research funding (including Wellcome Trust grants)
--

Please list all held in the last five years and any key prior grants (list the most recent first). State the name of the awarding body, name(s) of grantholder(s), title of project, amounts awarded, your role in the project, and start and end dates of support. For all active grants, indicate the number of hours per week that are spent on each project.

Success in obtaining funding for your research forms part of the assessment of your track record. In addition to research grants, please include details of any recurrent or core funding support that you have held in the last five years, including any Wellcome Trust awards. Please state clearly your role in obtaining the awards, for example, whether you held them in your own right as lead applicant, co-applicant, or as part of a consortium. Please state the value of your own component of the award and the percentage of your time spent on the research.

Please describe how the currently active grants listed above relate to this application (200 words max.)

Joint application

Is this a joint Investigator Award application?

Joint applications are welcome from two researchers with complementary expertise working closely together towards a shared vision. Both should have an equal level of input into the development and delivery of the proposed research. The application process requires that there must be one Lead Applicant who is responsible for submitting the application form to the Wellcome Trust.

Please contact the Trust for advice.
