Career contributions What are your most important research-related contributions to date? This may include contributions to health policy or practice, or to technology or product discovery and development. (350 words max.)

Personal statement Describe how this Fellowship would further your research and career aspirations, and its context in your longer-term vision. How would the Fellowship differ from a more traditional postdoctoral position and how do you propose to take advantage of the opportunities offered by the scheme? (300 words max.)

Professional recognition

Please list: (i) Prizes, honours and awards received during your career, including invited talks during the last three years; (ii) Current memberships of funding agency advisory and/or journal editorial boards.

Peer-reviewed publications and other research outputs

List up to 20 of your most significant peer-reviewed publications, preprints, or other scholarly research outputs, e.g. patents. You may provide a summary of your contribution to, or your role in, the work associated with each (e.g. intellectually conceiving or conducting the research, supervising staff, writing the paper).

Please give citation in full, including title of paper and all authors. Citations to preprints should state "Preprint", the repository name and the articles persistent identifier (e.g DOI).*

*(*All authors, unless more than 10, in which case please use 'et al', ensuring that your position as author remains clear.)*

Total number of peer-reviewed publications which you have authored/co-authored. Please exclude abstracts and literature reviews.

Current and recent research funding (including Wellcome Trust grants)

Please list all held in the last five years and any key prior grants (list the most recent first). State the name of the awarding body, name(s) of grantholder(s), title of project, amounts awarded, your role in the project, and start and end dates of support. For all active grants, indicate the number of hours per week that are spent on each project.
