Statement of Governors' responsibilities in respect of the Financial Statements

The Governors are responsible for preparing the Governors' Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Governors to prepare financial statements for each financial year. Under that law the Governors have elected to prepare the Financial Statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Governors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the Governors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Governors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the Financial Statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Each governor in office at the date of approving this report confirms that: so far as the governor is aware, there is no relevant audit information of which the company's auditors are unaware; and each governor has taken all the steps that ought to have been taken as a governor in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Auditors

In accordance with Section 485 of the Companies Act 2006, a resolution dated 18 December 2012 was passed by the members reappointing PricewaterhouseCoopers LLP as auditors of the Company.

This report was approved by the Board of Governors and signed on its behalf on 18 December 2012 by:

Sir William Castell
Chairman
The Wellcome Trust Limited
Independent Auditors’ Report to the Governors of The Wellcome Trust Limited

INDEPENDENT AUDITORS’ REPORT TO THE GOVERNORS OF THE WELLCOME TRUST LIMITED

We have audited the financial statements of The Wellcome Trust Limited for the year ended 30 September 2012 which comprise the Profit and Loss Account, the Balance Sheet, the Accounting Policies and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Generally Accepted Accounting Practices (UK GAAP).

Respective responsibilities of governors and auditors

As explained more fully in the Governors’ Responsibilities Statement set out on page 3 the Governors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board’s Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company’s governors as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company’s circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Governors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report and Financial Statements to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company’s affairs as at 30 September 2012 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Governors’ Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors’ remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
